

WE'RE IN GUIDESTAR'S TOP 1%!

The Foundation is proud to announce that we have officially received GuideStar's Platinum Seal of Transparency. GuideStar is the premier website for non-profit accountability, and allows individuals and companies to view a non-profit's past tax forms and financial information, and to verify a non-profit's tax-exempt status. Non-profits may be awarded Seals of Transparency ranging from bronze, silver, and gold, with platinum being the highest level awarded. GuideStar's database has nearly two million non-profits listed, and fewer than 1% receive the Platinum Seal.

In order to receive a Platinum Seal of Transparency, a non-profit organization must provide numerous financial documents and metrics to GuideStar. Only organizations which meet the strictest requirements are awarded the highest tier award. By receiving a Platinum Seal of Transparency, JCFOC has demonstrated that we are committed to openness, transparency, and accountability. We strive to ensure that both our donors and general public receive the highest quality of service, and the Platinum Seal of Transparency is a key factor in demonstrating that we are focused guaranteeing a Jewish tomorrow.
