MESSAGE TO THE COMMUNITY

As we each have family values and traditions in our homes, here at the Jewish Community Foundation we also honor traditional values of our own. Our core principles have consistently included respect for our donor's wishes, complete transparency without compromising confidentiality and unwavering commitment to our community.

Expanding and entering a new era, the Foundation focuses on creating a unified, community-wide culture of legacy giving, enhancing our relevance and support of local Jewish institutions and increasing the use of technology to benefit and engage our donors.

We are committed to respecting and retaining the best features of the Foundation that brought us to where we are today while empowering individuals and families to invest in a vibrant Jewish and global community into the future. We welcome and thank you for being part of the Jewish Community Foundation of Orange County Family – and for working together with us to guarantee a Jewish tomorrow.

With Warm Regards,

Wendy Chase Arenson, J.D., CSPG
Executive Director

TYPES OF FUNDS

DONOR ADVISED PHILANTHROPIC FUNDS

Like a charitable checking account, you contribute cash or other assets, receive an income tax deduction at the time of the donation, and make recommendations to your favorite charitable organizations. A philanthropic fund is a simple, effective way to support your favorite causes.

ENDOWMENT FUNDS

Funded during your lifetime or through a bequest, life insurance policy or retirement plan, an endowment fund is a permanent fund established in your name or in the name of a loved one. A fixed percentage of the fund is distributed to your favorite charitable organization(s) or area of interest each year into perpetuity.

DONOR ADVISED ENDOWMENT FUND: Each year select the causes and charitable organizations that are important to you. The Foundation will distribute a percentage of the fund on your behalf.

SPECIAL ENDOWMENT FUND: Designate the specific charitable organization(s) you wish to support each year into perpetuity, with the option to choose a specific program within the organization to benefit every year from your endowment.

AREA OF INTEREST ENDOWMENT FUND: Choose an area of interest to support each year into perpetuity on your behalf or named in honor of a loved one. The Foundation's Grants Committee will ensure your charitable wishes are fulfilled for years to come.

DEFINING A COMMUNITY FOUNDATION

COMMUNITY LEADER

Serves as the center point and mentor for local Jewish institutions in our unified community-wide legacy and endowment programs.

VALUE CONNECTOR

Works directly with intergenerational families to enable meaningful giving while providing the opportunity to share and demonstrate personal values.

WISE STEWARD

Closely manages the investment of assets held for the public good – for today and in perpetuity – and distributes those resources openly and transparently while ensuring donor confidentiality.

GRANTMAKER

Accumulates and distributes financial resources for programs and organizations that match donors' selected area(s) of interest locally and nationally, as well as supporting Israel and countries around the world.

BRIDGE BUILDER

Creates links between individuals, families and organizations in our local community and beyond to enable donors to efficiently and effectively connect with the charitable institutions they care about most with the greatest positive impact.

"WITH THIS PROMISE, WE MAKE A
COMMITMENT BACK TO THE
COMMUNITY TO HELP ENSURE IT
CAN FULFILL THE NEEDS OF ITS
CURRENT RESIDENTS AND EMBRACE
THE NEEDS OF THE NEW ONES WHO
WILL CALL IT HOME."

CREATE A JEWISH LEGACY

In 2013, the Jewish Community Foundation of Orange County was chosen as one of only seven community mentors in all of North America to be part of the Harold Grinspoon Foundation's legacy program first cohort.

Create a Jewish Legacy is a proven program that trains local Jewish organizations, day schools and synagogues to work together to build endowment funding for future generations. The Foundation provides educational training seminars, marketing materials and incentive grants to enable our important local institutions to work together to create a culture of legacy giving in Jewish Orange County.

Through this unified community-wide program, we work together to assist those who want to leave a legacy, but have not yet made plans to do so.

People of all ages and means are making individual legacy plans that support the causes and organizations that fuel their passion and shape their lives.

By working together, our Orange County Create a Jewish Legacy Partners surpassed our community's annual goals for our first two years of the program. More than three hundred local individuals and families committed to creating legacy plans during that two-year period, creating an estimated future value to our local Jewish community of over \$11,000,000. As this initiative expands, we look forward to welcoming new partner organizations and community members joining this collaborative effort to ensure a strong and vibrant Jewish future here in Orange County.

ENDOWMENT BOOK OF LIFE

The Endowment Book of Life is an ever-growing collection of signatures and histories, of both individuals and families, from more than 40 Jewish communities throughout North America. Here in Orange County, the Endowment Book of Life is a symbol of our united commitment to create a culture of legacy in Jewish Orange County.

When you sign the Endowment Book of Life you are making a promise that at some point in your lifetime, or through an after lifetime gift, you will leave something financial as a way to ensure your Jewish community's future.

Everyone who commits to leaving a legacy gift through our Create a Jewish Legacy program is invited to sign the Endowment Book of Life at our meaningful, community-wide annual signing celebration.

HONORING A VISION

Anne & Jacob Entin A Lasting Legacy

Anne and Jacob Entin were long-time supporters of the Jewish Community Foundation and gave to a variety of local charitable organizations during their lifetimes. They also set up an endowment fund through the Foundation, requesting that the Foundation's Grants Committee determine which programs or institutions would receive an annual distribution from their fund each year.

While Anne and Jacob sadly passed away in 1994 and 1998, each year since their passing, the Entins have continued their legacy of giving through distributions from their endowment fund at the Foundation. This fund supports Jewish education for children, social programming and kosher food for seniors, and educational training for women transitioning back into the workforce.

Recently, the Friendship Circle was awarded a grant in the Entins' name to help bring teenage volunteers and children with special needs together for fun and friendship.

GRANTS COMMUNITY IMPACT

Over the past 25 years the Foundation has awarded more than 240 grants, distributing over 1.2 million dollars to local Jewish organizations. Funding for these community grants is contributed by donors with the foresight to create special endowment funds ensuring the causes they care about most receive funding long into the future, and through the generosity of individuals who give to our grants program annually.

Each year, charitable organizations in Orange County are invited to apply for grants that fund innovative and impactful programming to benefit our local Jewish community. Our Grants Committee, composed of dedicated volunteer lay leaders, reviews the applications and evaluates which requests best match the vision of our donors and will provide the greatest value to Orange County's Jewish community.

AND INNOVATIVE PROGRAMS
IN JEWISH ORANGE COUNTY.**

These grants supply funding for a variety of programs such as those enhancing Jewish youth engagement, delivery of kosher meals for seniors, music education, empowering teens to fight anti-Semitism on college campuses and bringing top Jewish scholars to speak in our community.

Meet Grant Recipient Friendship Circle

The Friendship Circle is a growing Jewish organization that brings together teenage volunteers and children with special needs for fun and friendship. Throughout our community there are thousands of children and young adults with special needs and The Friendship Circle addresses the challenges facing these children, young adults and their families in a way that celebrates their uniqueness and individuality.

Founded in 2006, the Orange County Friendship Circle connects teen volunteers, children with special needs and their families to the Jewish community through inventive programs. The Friendship Circle has a full range of events and activities which include Sunday Circle, Young Adult Circle in the park, summer and winter camps and weekly home visits. These programs nurture and inspire participants with meaning, purpose, self-value and a sense of connection to, and a responsibility for, the greater Jewish community.

Since 2007, the Jewish Community Foundation of Orange County has granted over \$20,000 to the Friendship Circle through the generosity of families, such as the Entins (pictured left), who chose to create an endowment fund during their lifetime to benefit our community for generations to come.

FULFILLING OUR DONORS' WISHES

Each year the Jewish Community Foundation of Orange County distributes millions of dollars to worthy causes and organizations personally selected by our donors. In the past five years, more than \$27 million has flowed to more than 1,600 not-for-profit organizations - local and national, Jewish and secular - through our Foundation.
