

## JCFOC GRANTS PROGRAMS MAKING AN IMPACT IN LOCAL JEWISH DAY SCHOOLS

Thanks to donors like you, funding through our robust grants programs supports critical programming in the community. Orange County is lucky to have three incredible Jewish day schools cultivating the leaders of tomorrow. Over the course of the last three years alone, our grants programs have provided financial support to make some of these enriching programs possible.

“The “Night of Dreams” musical theater production created unity amongst students with the choir and dance performances. It builds community and makes stronger connections within the school community.”

“My children have been so inspired by the Israel murals. During this challenging time there is so much value in infusing Israel culture into our experiences, including the Israel-themed experiences on the IHDS campus. My children have learned about the land of Israel simply by participating in and watching these murals come to life.”

“Taking music at TVT has been an enormous blessing. I took the music composition class in freshman year and then again this year. Throughout both experiences, everyone has been continually engaged and eager to mess around on their instruments, unafraid to try something new and determined to venture into the unknown depths of musical composition. The opportunity to write original music and listen to it come to life played by an entire band is truly spectacular.”

## SHARING WORDS OF GRATITUDE FROM JCFOC GRANT RECIPIENTS

### REFORM TEMPLE OF LAGUNA WOODS 10-MONTH B'NOT MITZVAH PROGRAM

“Thirteen women became B'not Mitzvah on Friday night, September 10th. It was a particularly joyous occasion attended by the congregation, family and friends. For many of the women, this milestone realized a long-held wish and helped them appreciate their Jewish heritage. It would not have been possible without the help of the Jewish Community Foundation Orange County.”

### CONGREGATION B'NAI ISRAEL SIMCHAT TORAH CELEBRATION

“So much joy... So many thanks... On behalf of the CBI community, we would like to extend heartfelt thanks to the Jewish Community Foundation Orange County for enabling us to have the BEST SIMCHAT TORAH ever! Our celebration on Tuesday night included the music of MOSTLY KOSHER, and it was rockin'!”
