Please be sure to notify us that you have made a stock gift, including your full name, the name of the stock and the number of shares. This will help us properly acknowledge your gift and provide a prompt tax receipt. The value of your gift will be determined based on the average of the high and low of the stock on the date of the gift. The date of the gift is the day the shares reach the Jewish Community Foundation Orange County account when transferred electronically. The Foundation makes every effort to sell received stocks within one business day of them hitting our account. Please note that the Foundation is not liable for any fluctuations in value due to market volatility.
